Human Resources Practices and Training – Glengarry Primary School applies best practice standards in the recruitment and screening of staff, and will take all reasonable steps to ensure that it engages the most suitable and appropriate people to work with them. We will ensure staff induction, education and training programs are a vital part of our commitment to staff guarding children and young people from abuse and neglect. All prospective staff and volunteers are required to undergo National Criminal History Records check and maintain a valid Working with Children Check.

Reporting a Child Safety concern or complaint – Glengarry Primary School has clear expectations for staff and volunteers in making a report about a child or young person who may be in need or protection. Immediate action should include reporting their concerns to the DHHS Child Protection or appropriate agency and notifying the principal or a member of the school leadership team of their concerns and the reasons for those concerns.

Risk Reduction and Management – Glengarry Primary School believes the wellbeing of children and young people is paramount, and is vigilant in ensuring proper risk management processes. The school recognises there are potential risks to children and young people and will take a risk management approach by undertaking preventative measures.

Listening to children – Glengarry Primary School has developed a safe, inclusive and supportive environment that involves and communicates with children, young people and their parents/care givers. We encourage child and parent/care giver involvement and engagement that inform safe school operations and build the capability of children and parents/care givers to understand their rights and their responsibilities.

Confidentiality - Considerable importance is placed on safe guarding the confidentiality and privacy of information about particular children and their families. The collection, use and storage of information is included in school policies.

Breaches – Breaches of Duty of Care and Mandatory Reporting Obligations are identified in the specific policies.
