**CHILD SAFETY STAFF SELECTION POLICY**

## **CHILD SAFETY STAFF SELECTION (CHILD SAFE STANDARD 4) POLICY**

**This policy was developed in accordance with Ministerial Order 870 Child Safe Standards – Managing the Risk of Child Abuse in Schools. In support of this we have a zero tolerance to child abuse**

### **Rationale**

Strong human resources practices promote child safe school environments and reduce the risk of child abuse. Child Safe Standard 4 requires schools to use policies and procedures for recruitment, supervision, training and managing performance that support a child safe school environment. These must comply with Ministerial Order 870.

### **Implementation**

Glengarry Primary School will:

- ensure that position descriptions for all new positions advertised from 1 August 2016 include the standard “Child Safe Environments” clause as provided in the “Recruitment in Schools” guide.
- identify the actions the school proposes to take, as per Standard 1, to promote and embed the Child Safety Code of Conduct in accordance with Standard 3, to address requirements for existing staff.
- Determine the timeframes for the School Council to oversee and review Standard 4 as part of the school’s Action Plan [Standard 1] and Child Safety Environments Policy [Standard 2].
- adhere to the Department requirements listed in the table below.
