STUDENT DRESS CODE POLICY

STUDENT DRESS CODE POLICY

PURPOSE

The purpose of the Student Dress Code is to outline Glengarry Primary School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Glengarry Primary School's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance and instils recognition of themselves as an integral part of the school community
- assists in developing pride in representing their school
- support Glengarry Primary School's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities
- reduce student competition on the basis of clothing
- enhance the profile and identity of the school and its students within the wider community.

The School Council has developed a dress code that we believe provides a range of choices for students and is cost effective for families.

SCOPE

Students are expected to comply with this Student Dress Code while traveling to and from school, during school hours and when attending school activities.

- Uniforms must be clean and in good repair
- Uniforms must be clearly marked with the owner's name

Cosmetics may not be worn at school. Only clear nail polish is permitted.

Hair and Sun safety

Shoulder length or longer hair is to be tied back to help restrict the spread of nits and lice and for student safety.

School uniform hats must be worn outside from mid-August (exact date to be set by the school annually and communicated to families) to 30 April and on any other day prescribed by the school. School uniform hats may also be worn outside of this time period, by parent or student choice. For more information on our sun smart practices, please refer to our school's Sun Smart Policy.

During the designated periods where students must wear hats and on any other prescribed day, students must comply with the following:

- Hats are not to be worn inside
- Hats should be clearly marked with the owners name, provided that the name written is not visible on the outside of the hat
- Graffiti or markings of any kind are not permitted on students hats
- The brim of the hat needs to be maintained in its flat position and not bent or curled so that the hat shades the face, neck and ears

EXEMPTIONS TO STUDENT DRESS CODE

We recognise that there may be situations where the application of this dress code may affect students unequally.

Students and their parents or carers may apply either in writing or in person to the Principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate particular economic hardship that prevents them from complying with the dress code.

Glengarry Primary School

STUDENT DRESS CODE POLICY

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.
