Message from the Principal

Dear School Community,

I hope all our Glengarry families had a wonderful Easter and Term 1 holiday.

Our Term 1 ended with our annual Glengarry Sport's Day, and it was fabulous to see our students participate and enjoy the day. It was also great to see so many parents, friends and families come along to cheer on the students, and a bit of 'friendly' competition in our student's vs teacher's vs parents' relay! Congratulations to all students on a fabulous effort on this day, and of course, to our House winners for 2024 - Eaglehawk! Thank you also to our Parents Club for hosting a Sausage Sizzle on this afternoon.

This term is set to be a great term. We have lots coming up and look forward to our students having many learning opportunities, in and out, of their classrooms.

We have lots of events over this term, and we are proud to launch our [new website](#) which will be updated regularly on the homepage with our calendar of events. The calendar of events is detailed until the end of the year to help with planning of holidays or just to be organised with what's coming up. Further details of events will always be posted in Compass leading up to the event. We also have a new newsletter which will be distributed on Compass and posted on our website, every 2 weeks and include community news, key messages, and important dates.

Looking forward to seeing all our students and families back on **Monday, 15th April.**

Regards,
Bri Simpson
