## Message from the Principal

Dear School Community,

It was fabulous to have our School Captains and many of our Glengarry students and families join us at the ANZAC Day service, yesterday.

I was incredibly proud of all our students, who stood quietly and respectfully throughout the entire service. I was especially proud of our School Captains, who laid a wreath on the school's behalf with such dignity and regard.

Could I also take this opportunity to remind all parents and carers to take care when **driving around our school grounds**, both out the front and side of the school.

Whilst I recognize that it can be busy in the morning dropping off as well as picking up in the afternoon when we have places to be, there is nothing more important than the safety of our children and families.

Please drive slowly and check for students and families who are walking to and from school.

Regards,  
*Bri Simpson*
